

Community Food Drive Helps Local Families

Hundreds of Donations Collected This Weekend

Residents of the town came together this weekend to support a local food drive at the community center. Volunteers collected canned food, clothes, and other supplies for families in need.

One volunteer said, "It is amazing to see so many people helping each other during difficult times."

Organizers said the event was one of the largest collection drives in the area this year. More than 500 items were donated in just two days.

Working together makes our community stronger and kinder.

The organizers hope to hold another event next month and encourage more people to participate.
